Dear friends and supporters,

I’d like to thank you for your continued faithful, generous care and support of the more than 10,000 men, women, and children CASL serves every year. Together, we are making a difference in our neighborhood and our city.

I’m very excited that we have found our new CEO, Paul Luu, and hope that you’ve had a chance to welcome him into the community. He comes to us with an impressive professional history in the non-profit world, and a personal journey that resonates with the mission and work of CASL. The board believes that CASL’s future is very bright under Paul’s leadership.

CASL has made some great strides recently, including ninety-nine families’ lives enhanced through the purchase of their first homes—thanks to our housing program. 86% of naturalization applicants became U.S. citizens through our citizenship program. 74% of our culinary trainees found jobs with benefits. These life-altering opportunities are possible because of your support of CASL. Let’s continue to drive these positive changes for our community!

On behalf of the Board of Directors, staff, and clients of CASL, I thank you!

James Mark, Jr.
